The Establishment of the Delaware General Assembly

In her 2003 tercentenary history of the Delaware General Assembly, *Democracy in Delaware: The Story of the First State's General Assembly*, historian Carol E. Hoffecker noted that: "William Penn is the father of representative government in Delaware. In 1681 this idealistic English Quaker became proprietor of two colonies in America: Pennsylvania and the Three Lower Counties on Delaware. He tried to unite the two into one. In 1682 Penn called on the freedmen of both colonies to elect their neighbors most noted for "Sobriety, Wisdom, and Integrity" to attend a joint General Assembly. That Assembly's inaugural meeting took place at Upland, now Chester, Pennsylvania, in December, 1682. See more

Welcome to the Georgia General Assembly!

A form of representative government has existed in Georgia since January 1751. Its modern embodiment, known as the Georgia General Assembly, is one of the largest state legislatures in the nation. The General Assembly consists of two chambers, the House of Representatives and the Senate.

The General Assembly has operated continuously since 1777, when Georgia became one of the thirteen original states and revoked its status as a colony of Great Britain. Since the General Assembly is the legislative body for the state, the location of its meetings has moved along with each move of the state capital. In its earliest days the legislature met first in Savannah, and subsequently in Augusta, Louisville, and Milledgeville. In 1868 the capital—and the assembly—settled permanently in Atlanta. Today the General Assembly meets in the state capitol, an impressive limestone and marble building with a distinctive gold dome and granite foundation. Each chamber is housed in a separate wing.

Every two years, Georgia voters elect members of the legislature. These elections occur in even-numbered years (e.g., 2008, 2010, 2012). The qualifications for holding office in both houses, as well as the size of both chambers, are established in the Georgia state constitution. [The New Georgia Encyclopedia](#)

Welcome

The Kansas Legislature consists of a 125-member House of Representatives and a 40-member Senate. The Legislature convenes on the second Monday in January for an annual session and generally adjourns in early May. For more information about the Kansas Legislature go to [About the Legislature](#).

2016 Special Session

The Legislature convened the 2016 Special Session on June 23, 2016, at 8:00 a.m. to respond to the Kansas Supreme Court's most recent opinion in *Gannon v. State*, issued May 27, 2016. The 2016 Special Session was called pursuant to a proclamation issued by Governor Sam Brownback on June 8, 2016. The 2016 Special Session was adjourned sine die on June 24, 2016.

The 2016 Special Session information can be accessed by selecting the link under the Historical tab above.

A Message From Speaker Carl E. Heastie

Welcome to the
New York State
Assembly website.

Since its creation in
1777, the state
Assembly has
helped shape
history, often
leading the way
with progressive
action and reform.

On February 3, 2015 the New York
State Assembly continued making
history...

Oregon's Volcanic Heritage

Ancient Beginnings

After 20 million years, Oregon's volcanoes have provided raw materials for American Indian artifacts, challenged explorers and migrants, and today provide countless recreational, educational, and scientific opportunities. Oregon honors its volcanic heritage by protecting many of its volcanic wonders as parks such as Crater Lake National Park, Newberry National Volcanic Monument, Fort Rock State Park, and Portland's Mt. Tabor City Park.

Oregon: 150 Years of Statehood; 150 Million Years in the Making

We invite you to explore these 16 windows into how Oregon's landscape was assembled during the past 150 million years. Happening through July 29th. Learn more.
